This bulletin presents information relating to number of arrivals and departures by port, passenger's type, transport mode, gender, age group, purpose of travel and country of usual residence.

Special thanks are extended to the Immigration Department of the ministry of Foreign Affairs, Customs Department of the Ministry of Revenue Services, Airport Terminal Services, Tonga Airports Limited and Ports Authority for their assistance in providing their administrative information relating to these statistics. I am also grateful particularly to my staff in the Population and Social Statistics Division who contributed to the compilation of this report.

4.1 PURPOSE

The purpose of this bulletin is to give an overview of total international arrivals and departures and their main social and economic characteristics.

Statistics on Overseas Arrivals and Departures related to the number of movements of travelers rather than the number of travelers (i.e. the multiple movements of individual persons during a given reference period are all counted).

4.2 **COVERAGE**

This bulletin covers all international arrivals and departures from the Kingdom of Tonga, including yachts and those through Lupepau'u Airport and all outer islands, during 2013. Final totals of arrivals and departures are based on the reconciliation between the Ministry of Foreign Affairs and Immigration Electronic data, Customs Wharf Register and Air Terminal Services Manifest.

4.3 SOURCE OF DATA

Data is extracted from the arrival and departure cards of the Immigration Department, Ministry of Foreign Affairs, and Customs vessel and yacht log book. The Statistics Department reconciles the figures from the Air Terminal Services Manifest and Ports Authority Manifest to produce final published data.

4.4 DATA LIMITATIONS

Passengers on yachts and ships do not complete arrival and departure cards therefore we are unable to provide details on Age, Sex and Purpose of visit.

Due to the limitation on data collected, we are unable at this stage to determine whether arrivals and departures are of a long term or short term duration.
