### Fuel and energy price index evolution

This table links the monthly change of the fuel price index, litres used and the electricity price index in Vanuatu. Both indexes for fuel cost and electricity price started with 100pt base in June 2011.

### About the Utilities Regulatory Authority

The URA is the independent regulator for water and electricity services in Vanuatu.

As part of its functions, the Authority monitors the prices and service quality of electricity and water provided by utility companies and public services, promoting access and the long term interests of the customers.
