Notes: * Light and heavy goods vehicles including vans, trucks, pick-ups, ambulances and fire engines.

** Includes trailers, cranes, loaders, forklifts, etc.

[a] Taxis increased in 2006 due to the introduction of LPG cars with Govt.concession.

[b] In mid 2007 & year 2008 the registration of taxis were affected by the JEVIC programme, set by LTA which streamlined the import of second hand cars.

[c] Decrease in duties resulted in a decrease in price which led to an increase in demand for vehicles. There was also a Government directive to clear pending applications for the year 2009 and 2010 which led to an increase as well.

[d] Due to vehicle registration of overseas companies engaged for road construction contracts. Other local firms also registered a number of their vehicles.

[e] Increase is due to private and commercial developments.

[f] Increase in civil engineering activities led to an increase in the demand for goods vehicles.

[g] Decline in the registration of government vehicles has led to a decline in All Other Vehicles.

[h] Decline in the registration of hire cars has led to a decline in Rental and Hire Cars.

[i] Decline due to freeze in the issue of PSV licences

[j] Lower prices of new and second hand vehicles led to an increase in the registration of vehicles
